

ANDRELL EDUCATION PRESENTS

BIG WRITE & VCOP

INTRODUCTION TO BIG WRITE AND VCOP

We'll teach you how to raise the standards in writing in a fun and interactive way for both the student and the teacher.

All sessions run from 9:00am-3:30pm

What is Big Write and VCOP?

A Big Write is the chance for the students to celebrate their writing and show off the learning goals they have achieved for the week. They will learn how to up-level their work and create a 'writer's voice' by using their VCOP skills (vocabulary, connectives, openers and punctuation).

The session will focus on providing you with;

- Background and research of the approach.
- An overview of the Big Write week.
- A breakdown of the Big Write and VCOP Day– complete with a mini VCOP and Big Write Session, including self editing.
- Intensive analysis– Learn how to model Breakdown Buddies and highlighting. Plus we'll have a brief look at the Student Criterion Scale.
- You'll learn how to assign a marking level using the Australian Criterion Scale and get overview of Cold/Warm Writes and Data Tracking.

This is a full day professional development session suitable for all year levels, leadership, and support staff.

We highly recommend that support staff are involved in this session to fully support classroom implementation. The whole day is broken up with numerous games and activities that can be differentiated to suit all year levels and abilities. The middle session is run as if the presenter was your classroom teacher, so that attendees can get a real feel for how it will look throughout their classroom, and how students' will learn throughout this approach. This is an essential first day in implementing Big Write and VCOP into your classroom or school.
